Specific rate should be given for each item in the schedule and the rates should be noted both in words and figures.

The tendered rate should be for work to be done as per standard specifications approved by the Department and for using the best quality of materials. If new items of work not provided for in the estimate are to be carried out while executing the work, the rate to be paid for such items should be as per departmental schedule rate calculated on the basis of material and labour cost.

The tenderers shall not make any request to treat the arrears of amount due to them by Government as earnest money.

The work should be completed in all respect within one month from the date of acceptance of tender.

The quantities as estimated are only approximate and are liable to alterations, omissions, deductions or additions at the discretion of the undersigned. The tendered rates will hold good for any quantity whether higher or lower than those estimated for.

The right of rejection of any or all the tenders without assigning reason therefor, rests with the undersigned.

Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the agreement on the departmental schedule contract form for the due fulfilment of the contract.
